

## Session One: Better Together

### **Better Together - A new Season for Revolution**

We are so excited that you've taken this step of being a part of Growth Track! As we go through this journey of Growth Track, we'll learn several things about this church we call Revolution. Through these six weeks we'll talk about:

- Where we've been
- Who we are
- Who we're going to be

Revolution is a Church that is a movement on a mission - constantly growing and changing. Anthony compares it to an organism, rather than an organization.

Most importantly though, we want to Help People Find Jesus and Live Like Him, and hopefully along the way, you'll deepen your own faith and be better equipped to bring the light of Jesus into the world around us.

## Discussion

1. Anthony talked about the Imagine 3:20 journey that we went through to be able to get into the building we're now in...Put that in your own life. Have you ever been through a time that stretched you? When you had to rely on God to do more than you could ever imagine? Let's celebrate that...
2. When you see God move in your life, have you ever noticed the residual effect it can have on other areas? For instance, through Imagine 3:20, we were able to not just move into a new building, but we baptized people, we hosted food banks, we helped plant churches, we helped kids escape poverty in Nicaragua.
3. The idea of Better Together is now at the very core of who we are at Revolution. Jesus says in John 17:21 that the Church "may be one". What are your personal thoughts on this idea of being Better Together?
4. The mission statement from the very beginning at Revolution is this: Helping People find Jesus and Live Like Him. It's vital that you learn this, know this, and live this. It's who we are and it's reflected in everything that we do. is made up of three Great things:
  - a. The Great Collaboration John 17:20-21
  - b. The Great Commission Matthew 28:19-20
  - c. The Great Commandment Matthew 22:37

5. The Three C's will be the core of our church as we move forward, in you own words, what do each of these C's mean to you?
  - a. Celebrate
  - b. Connect
  - c. Contribute
  
6. A Partner at Revolution is this: Someone that is **committed** to:
  - a. Celebrating Jesus
  - b. Connecting with others
  - c. Contributing to the church, community, and beyond.
  
- *Does this sound like you? Is this something you are willing to do; to partner with Revolution and help us drive the mission (Helping People find Jesus and Live Like Him) forward?*
  
7. Anthony also illustrated that Better Together isn't just a mantra for our church to be effective, but that LIFE is Better Together. The questions he posed are these:
  - a. Who in this world truly knows you?
  - b. By who in this world are you fully known and fully loved?
  - c. Who knows your strengths, who knows your sinful tendencies?
  
- *We have a tendency to settle for surface level friendships and sometimes we settle for straight up isolation. Does that idea speak to you? What are your thoughts on what Solomon writes in Ecclesiastes 4:9-12?*
