

CELEBRATE Jesus

CELEBRATE definition – to acknowledge or honor, praise publicly

CELEBRATE is about the relationship between me and God. We encourage people to celebrate their relationship with Jesus daily through prayer, scripture, and reflection. We also gather as a community of faith every weekend to celebrate what God is doing as we surrender our lives more fully to Him.

Ways to gauge my CELEBRATION

- I believe I receive forgiveness of sin when I put my faith in Jesus and commit my life to following him.
- I have made the weekend celebration at Revolution a priority and attend more than I miss, and take action on the practical application offered.
- I challenge myself to try spiritual practices such as fasting, solitude, journaling, etc., in order to grow in my relationship with God.
- Every day I bring specific concerns for others and myself to God in prayer.
- I believe it is important to publicly express a commitment to following Jesus by taking the step of baptism.
- I have a daily practice of Bible reading and reflection.
- I experience a spiritual connection with God and others during the weekend worship gatherings.
- I trust God with my circumstances and do not allow them to dictate my mood.
- I attend weekly worship gatherings to celebrate what God is doing in my life and the lives of others.

- My greatest desire is to love God with my heart, soul, mind, and strength.
- I believe the Holy Spirit lives inside me and empowers me to live more like Jesus every day.
